Carlo Alejandro Bonilla Morales

Software Engineer

LinkedIn: https://www.linkedin.com/in/carlobonilla/
GitHub: https://github.com/cabonillamo
Porfolio: **CB Ingeniero de Software (cabonillamo.github.io)**

I am a young student entering my final year of studies in Software Engineering with one year of work experience. I have a strong passion for technology, and I am constantly seeking new opportunities to learn and develop my skills. Specifically, I am passionate about all things related to .NET and enjoy exploring its many applications in software development.

Personal Information

Email: carlobonilla640@gmail.com

Address: Alajuela, Costa Rica

Phone number: (+506) 8501 1597
